

AGENDA

Day 1

8:00 - 9:00

Registration/opening remarks/goals

9:00 - 12:00

1. Mathematical Practices - Participants will analyze the mathematical practices and participate in activities that illustrate implementation ideas.
2. BREAK
3. Planning time to review curriculum and create sample tasks that integrate the mathematical practices and align with current or upcoming curriculum.

12:00 - 1:00

LUNCH

1:00-3:00

Problem Solving and Perseverance. Strategies will be shared that focus on planning for perseverance and integrating principles of growth mindset.

3:00-3:30

Reflections, Next Steps and Wrap Up

Day 2

8:30 - 9:00

Opening remarks/goals for day 2

9:00-10:35

1. Formative Assessment - participants will explore several techniques for student self assessment and group assessment
2. Planning for implementation (30 minutes)

10:30 - 10:45

BREAK

10:45-12:00

Student Retention (7 Brain Based strategies will be highlighted)

12:00 - 1:00

LUNCH

1:30 - 3:00

Mathematical Literacy – Vocabulary and writing strategies will be highlighted

3:00 - 3:30

Reflections, Next Steps and Wrap Up
